“Alan was a cellist, so a benefit concert is a fitting tribute to his memory and a way to support promising scholars. Since 2021, the Alan Hu Foundation has presented scholarship awards to Tri-Valley high school seniors whose college and career aspirations are in mental health fields. We depend upon donations to continue to offer scholarships,” said Foundation President and Co-Founder Xiaofang Chen, “and we thank you for your support.”

Funds from this benefit concert will be used for Alan Hu Foundation Scholarships which are awarded to high school seniors in the Pleasanton Unified, Dublin Unified, and Livermore Valley Joint Unified School Districts in California who plan to pursue a degree in Psychology, Psychiatry, Neuroscience, Pharmacology, Nursing, Medicine, Teaching, School Counseling, or careers as first responders, including EMT, police academy, and fire academy.

New in 2026 - Scholars at Las Positas Community College who have completed an Associate's degree or a Certificate and have been accepted to a four-year college and will major in a field of study related to mental health are eligible to apply for an Alan Hu Foundation Scholarship.

Thank You!

We are so very grateful for the musicians, vocalists, artistic directors, and conductors who have shared their talents to perform the “Take My Hand” benefit concert. We are also thankful for everyone who is here today in support of these artists and the mission of the Alan Hu Foundation.
